

## THE LIFE CHALLENGE

### CONNECT

Share stories of your experience(s) of meeting 'special people' (sports figures, politicians, authors, musicians, etc.) and/or have a member or two of your group share their experience of how they experienced the call of Jesus to become his disciple.

### IDENTITY

What have been some of the challenges of being a disciple of Jesus? The joys? Were there 'things' in your life that you needed to leave behind to follow Jesus? (A career path? a relationship? A dream?)

### THE EXAMEN

How would you describe your relationship with Jesus? How is he 'present' to you? What step could you take to deepen your relationship with Jesus?

Do you ever feel powerless in your Christian service? Discuss how the presence of Jesus in our lives is linked to the Spirit empowering us for ministry.

### PRACTICE

Jesus called his disciples for a purpose. To serve in kingdom ministry. How are you engaged in serving Jesus? Have you considered a service opportunity as a couple/family/Life Group?
