"I came that they may have life and have it abundantly." John 10:10

Series: Glorify His Name
Title: Revealed to You
Speaker: Garth Borthistle
Date: January 22, 2023

WARM - UP

Talk about how you hear from God. How do you discern what he is saying to you? Share as a group some ways how God has shown up for you in your life.

DISCUSSION

1. Why did Jesus choose this moment to perform his first miracle in a public setting?
2. Compare the image of the words we say at Communion (1 Cor. 11: 25) to the symbolic act of turning water into wine.
3. Why was this important for the disciples to see that miracle (v11)?
4. I want to return to the opening thought of how God speaks to you. This time share specifically how God has shaped you in the journey of hearing his voice. How has it molded you into the person you are today?
5. How do you continue to grow in your faith? Are there additional ways for you to connect and worship God? What's something new you'd like to experience in your communion with God?

APPLICATION

This may be bold to ask, but what would you like the Lord to do in your life in 2023? How do you want to experience a greater sense of God being with you? Do you want this? Pray for each other in your journey with God for 2023.
