WARM - UP

What do you envision happening at South Abbotsford as we are faithful to God's call as a church? What does faithfulness bring?

DISCUSSION

Churches in different denominations do things differently and believe different things. How is this important?

Some of your good friends tell you that they are leaving the church you attend for a different one nearby. What do you say?

You are part of a once thriving ministry that is declining, while other seemingly competing ministries are thriving. What do you do?

You are sharing your faith, but the people you are sharing with don't seem to care about what you are sharing. What do you do?

APPLICATION

What is the goal of a church community in light of the Great Commission?
How do we know if we are doing the right things?

What are you personally doing as a witness to the good news of Jesus Christ? Are you doing what you are called to do?
