Men's Fraternity

Is an organized study that challenges men to live authentic lives modeled after the life of Jesus Christ and directed by the Word of God.

“Winning at Work & Home”

This sixteen week study focuses on the two areas that are central to a man's happiness and satisfaction in life; his career and his family.

Together these two areas consume more of a man's time, talent, and energy than any other area of his life. No man can afford to fail in either one of these critical areas.

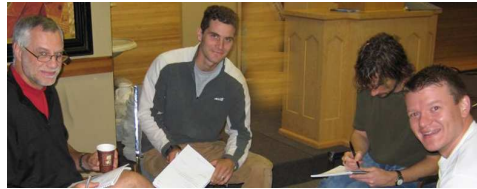

In this study you will discover the tools to build upon (or rebuild); your confidence; expand your life vision; develop a more successful life strategy; and improve your relationships both at work and at home!

Format

- 10 min Coffee and Refreshments
- 45 min Teaching by Robert Lewis (DVD)
