### Application:

How do we translate the message and the means from Paul and Barnabas' mission to Asia Minor to today's contemporary setting?

### Scriptural Principles:

“For I am not ashamed of this Good News about Christ. It is the power of God at work, saving everyone who believes—the Jew first and also the Gentile.” Romans 1:16

- *What are some of the factors that may cause a believer to be ashamed of the Gospel?*

### A Universal Language:

“Coupled with proactive deeds of compassion, there is an understanding that there is a message to be communicated, not just a compassion agency, but people who live the gospel and proclaim the gospel.”

- *Which do you find easier? To do deeds of compassion or to say the words of the Gospel to someone who is a ‘not-yet-believer?’ Why is that?*

### A Sense of Commission: Romans 10:13-15

- *How do we decide who should go and who should stay? How did the Antioch church do it? Is that an example for the church today?*
- *Would you ever encourage your own child to become a “full-time” missionary in “X” country? Why or why not?*

### Jeremia's Principles: Open Doors

- Don't ever give up when God gives you a job/opportunity
- You are called to faithfully carry the message of Jesus
- The message of Jesus is for EVERYONE
- We have the support of our entire church body
- Because of the message, you will have beautiful feet!

### Prayer Time:

- *Ask Jesus for the name(s) of someone that you need to boldly share with your actions and your words the message of Jesus with.*
- *Then ask for a sensitivity towards the Holy Spirit in this area*
- *And last, ask for an empowerment from the Holy Spirit to reach others!*
